Footie Fever Flattens Football Field

Hi I'm Keir Wilson. I've come over from North Kent Community Church in England. God has put this mission on my heart since I was a child to serve the Children of Africa in some way. Pete Carter the pastor of my church thought Clarens would be a good place to serve. I thought the best way would be through sport, so I set my goal to give the kids a suitable pitch where they can enjoy sports. I raised money back at home including a sponsored head shave. After a lot of praying here I got the workers at the local golf club to come and level the pitch out for no cost. Thank you God! I got a quote for laying turf for 7,800 rand which was too much, so we prayed as group and the following week it dropped 3,000 rand. We recently got signed Michael Owen boots from Umbro to put up for auction and any money will go towards the fence we going to put around the pitch. My last goal is to improve the football team as they lose regularly.

Kindness of the local golf club levelling the school football pitch!

My name is Mokudu and I'm 14 years old.
I came to Diklabeng Christian School in 2002.
I was in grade 3 and now I'm in grade 7.
The things I like about the school are we
do drama, singing and the teachers
love us and they tell us what's
right and wrong and they encourage us.
